

# How to Update Ac14 to Ac 14.5

## Start my Un-installing your old **AC14 Part2**

Go to Uninstall programs...

Look for and uninstall (Design & Drafting LD Assistant Ac 2014)

It will be listed under Design & Drafting

## Installing Ac14.5v2

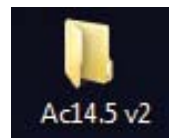

1) Download LD Assistant Ac 14.5 to your desktop.

2) Look for the Ac14.5v2.zip and unzip to your desktop.

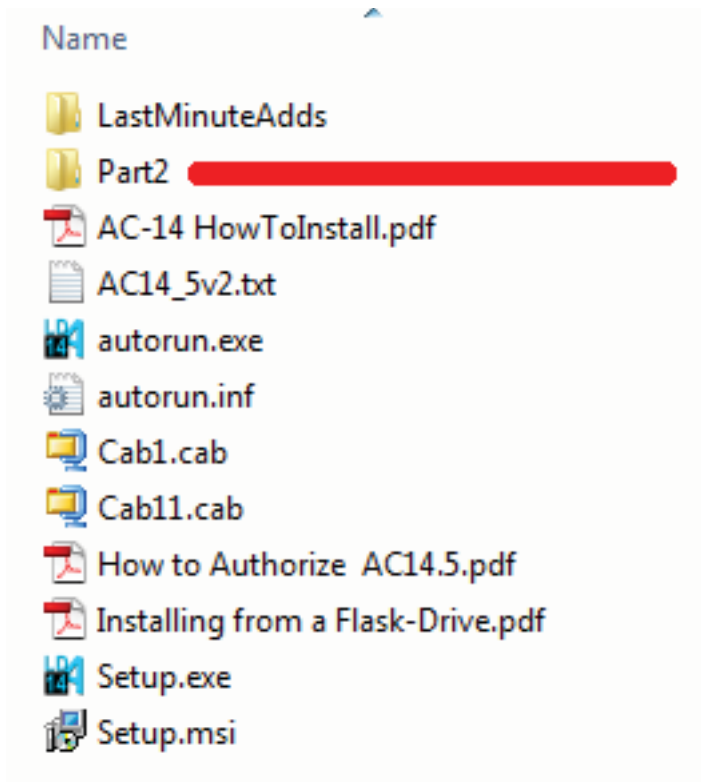

3) Now open the Ac14.5v2 folder

4) Look for and open the **Folder Part2**

**Note:** If you have a DVD open the DVD and open the Part2 folder.

5) Look for the setup and double click to Start the install.
